Tico's®

Premium Quality Mexican Food Made With the Freshest Ingredients

Tico's line of Mexican Food products affords our customers the opportunity to have the highest quality steam table foods ready to serve in any way they choose. We do the time consuming task of scratch ingredient preparation, allowing you the time to prepare your own unique entrées. You can depend on our products for flavor and consistency. All of Tico's products are also available in 5# and 8# boilable pouches.

Premium Green Chile with Pork

Top of the line! A rich stew-style chile with chunks of pork, tomatoes, and chiles. Mild or spicy, but not too spicy! Applications include smothering burritos, enchiladas, huevos rancheros, or rellenos; as a soup, ingredient for dips, or with potatoes for stew. It's a great complement for most meats and vegetables. Make any breakfast item Mexican with this sauce.

Refried Beans

Extra whole beans add to the authenticity and homemade flavor of Tico's quality. All vegetable shortening - no lard, truly vegetarian.

Beef Taco Filling

Lightly seasoned ground beef that holds up well for a variety of uses, from buffet lines to steam tables.

Enchilada Sauce

A mild, smooth tomato based sauce. Great as a base for cooked items or a mild topping for other items.

Vegetarian Green Chile

A full flavored spicy sauce mixing tomatoes, chiles and onions.

Chile Verde Bravo

Very spicy tomatillo based sauce with chunks of pork.

Fiesta Red Chile

Traditional chile with beans. Great flavor to complement any cuisine.
