SIERRA DISPENSER POUCH WITH FITMENT

SERVE UP THE PERFECT TOPPING FOR ANY DISH WITH OUR EASY-TO-RELOAD DISPENSER.

The Sierra™ dispenser is the perfect way to offer delicious cheese sauces in a convenient, space-saving footprint. With only 10" of counter space required, the Sierra™ features a peristaltic pump dispenser with preset portion control at 2 oz, 3 oz or manual settings. And with its temperature set point between 145–155° F (63–68° C), the Sierra™ ensures optimum food safety, keeping sauce fresher longer with minimal cleaning and maintenance required.

DESIGN Sierra™ Dispenser* Available in
Black or White with Customizable
Machine Graphics
