

**MARYLAND SCHOOL NUTRITION ASSOCIATION
DUTIES AND RESPONSIBILITIES OF
SPECIFIC EXECUTIVE BOARD COMMITTEE**

Nutrition Committee

Purpose – To promote nutrition education activities throughout the State.

Responsibilities:

1. Establish a Committee to plan various activities to promote nutrition education.
2. Keep the membership informed on the newest information related to nutrition improvement.
3. Provide nutrition information on MSNA's website that chapters can use for meetings or other activities.

Activities:

1. Include nutrition education sessions at the MSNA convention.
2. Provide nutrition education materials for the membership, including writing quarterly articles for the *Serving Spoon*. Work with dietetic interns, whenever possible, to develop these articles or materials that can be included on the MSNA website.
