SNA LEADERSHIP CONFERENCE

Between the Lines

The quiet work that changes everything.

The most important work in school nutrition rarely shows up on a tray — it lives in the judgment, care, and quiet leadership behind every meal. Spend a few days with the people who understand that, and leave ready to lead.

See what others miss

Sessions on the perceptive, behind-the-scenes side of leadership.

Grow your craft

Practical training and credentials that move your career forward.

Find your people

Connect with leaders who know exactly what your day looks like.
