EVENTS

# Personalize Your Experience

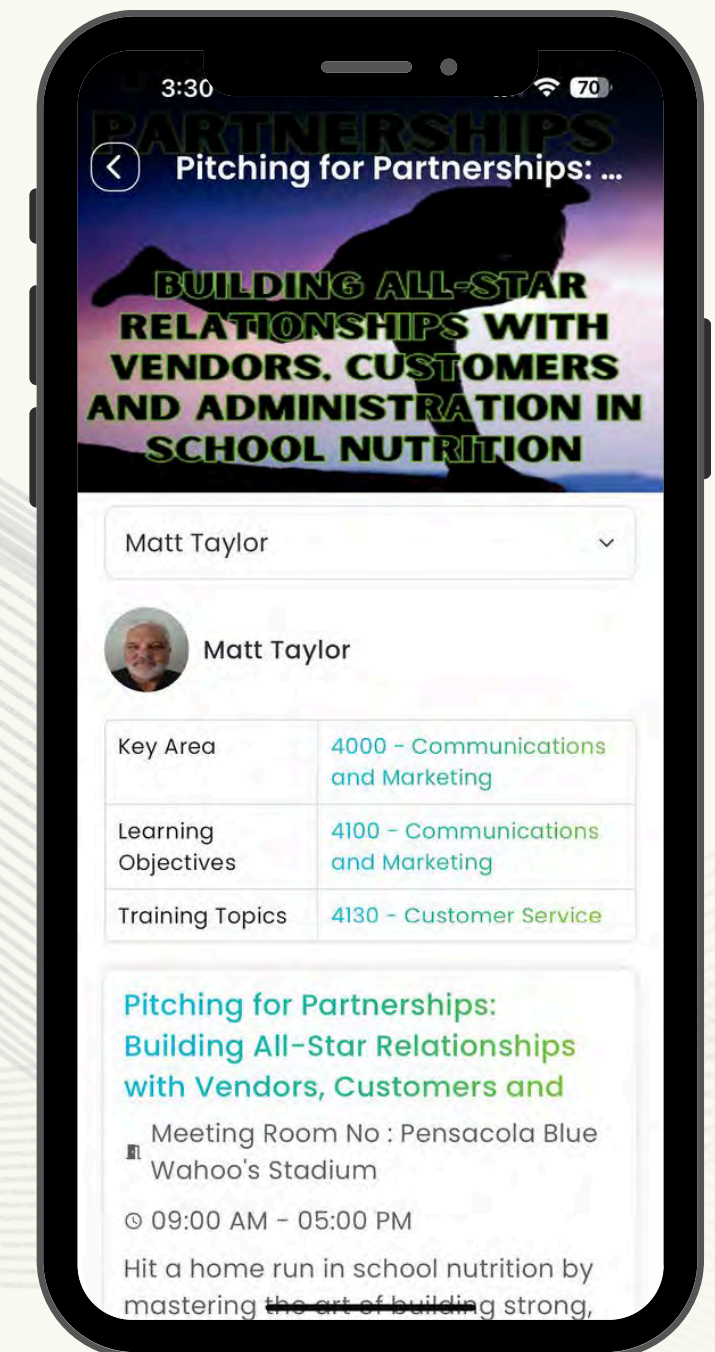

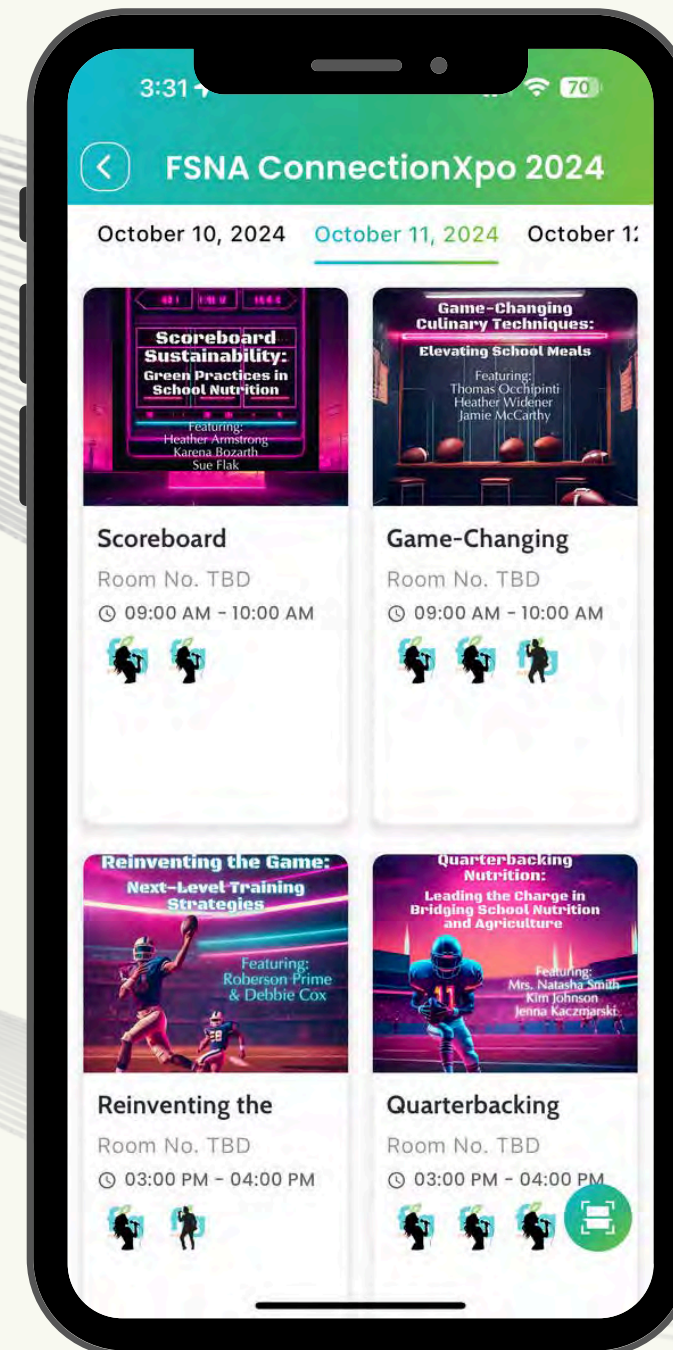

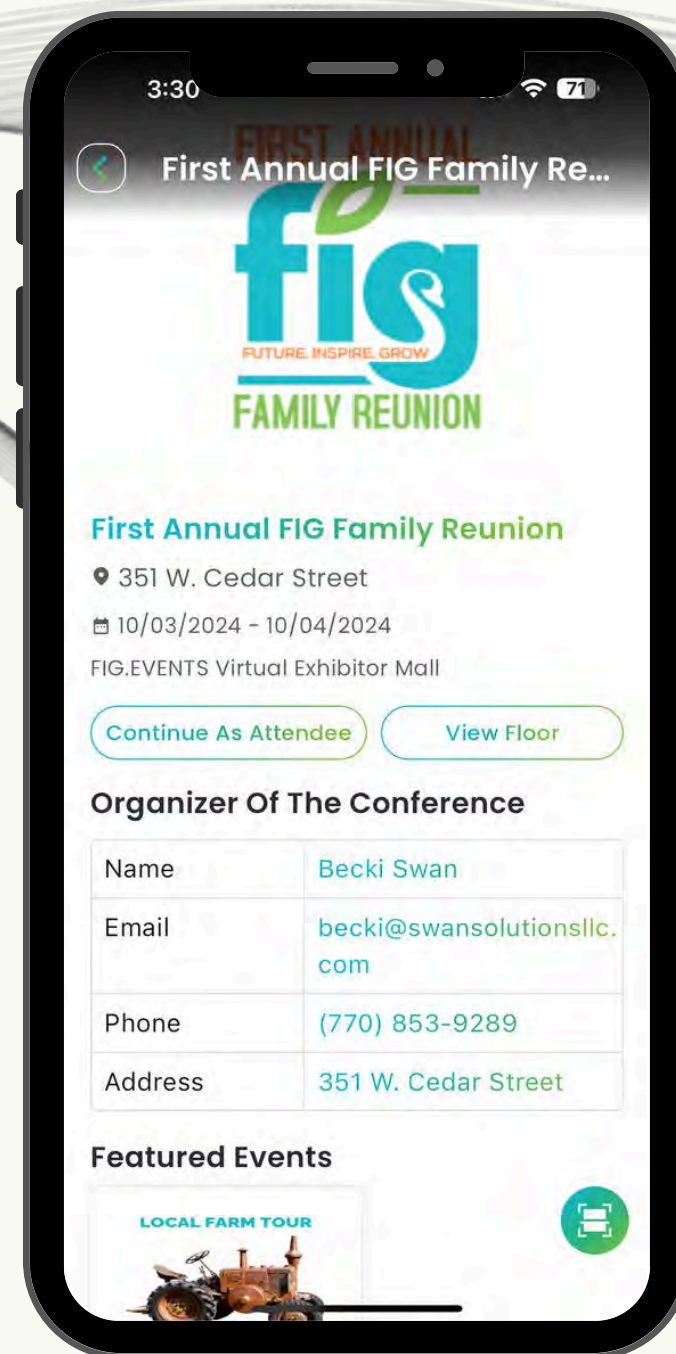

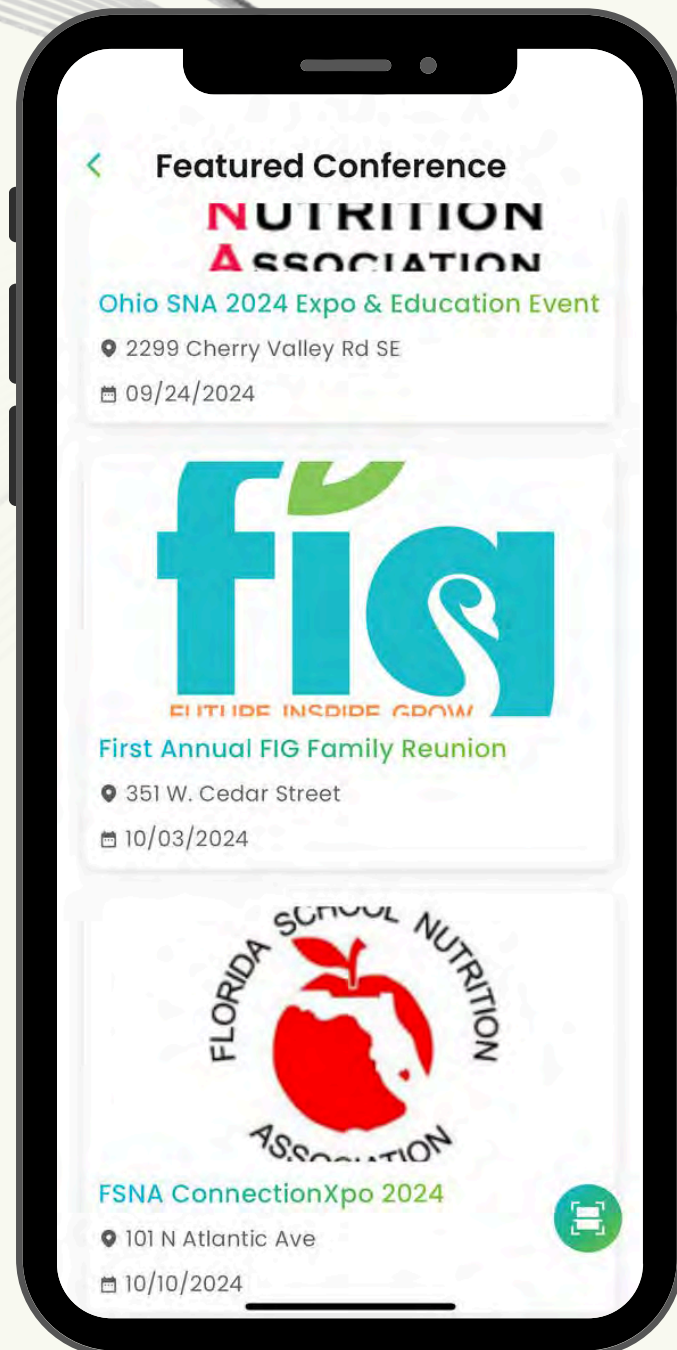

Setting up your profile on FIG Events gives you a personalized experience, making it easy to register for events, track your professional development, connect with industry leaders, and discover exclusive offers from trusted partners.

It's your gateway to maximizing the benefits of being part of the FIG Family!

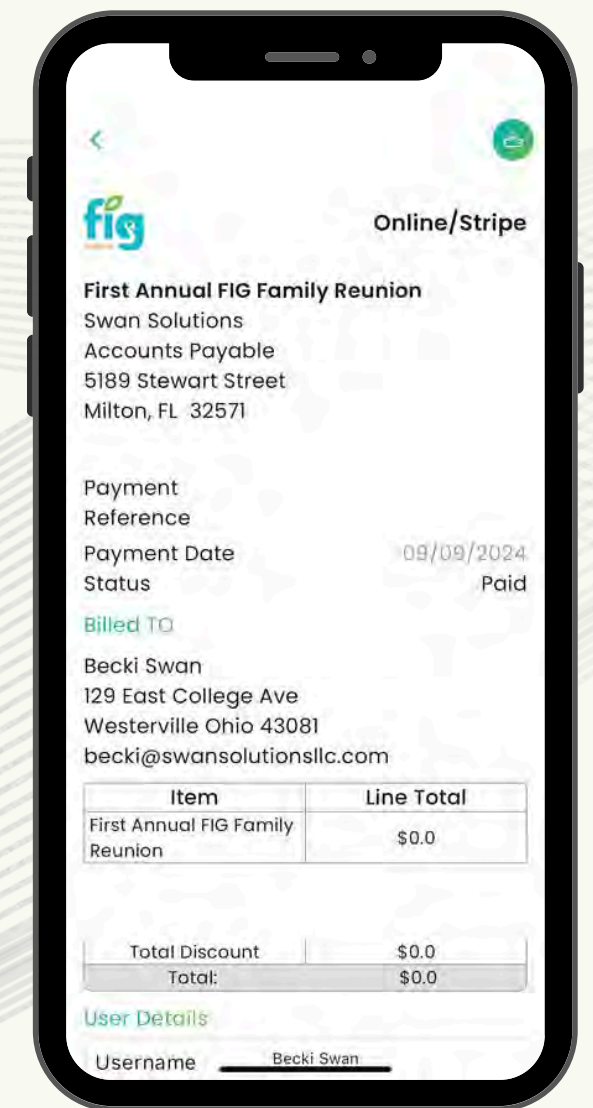

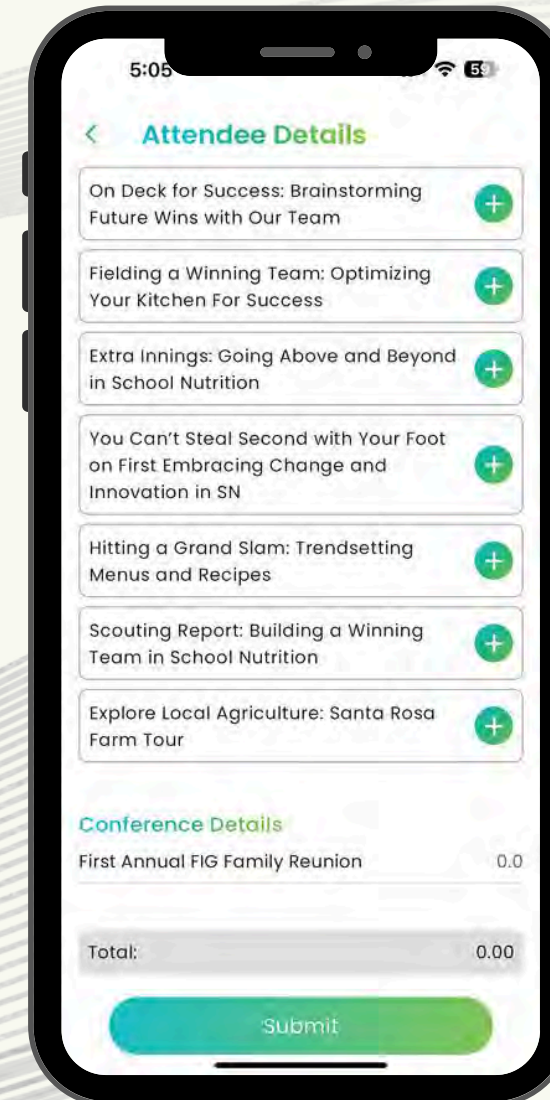

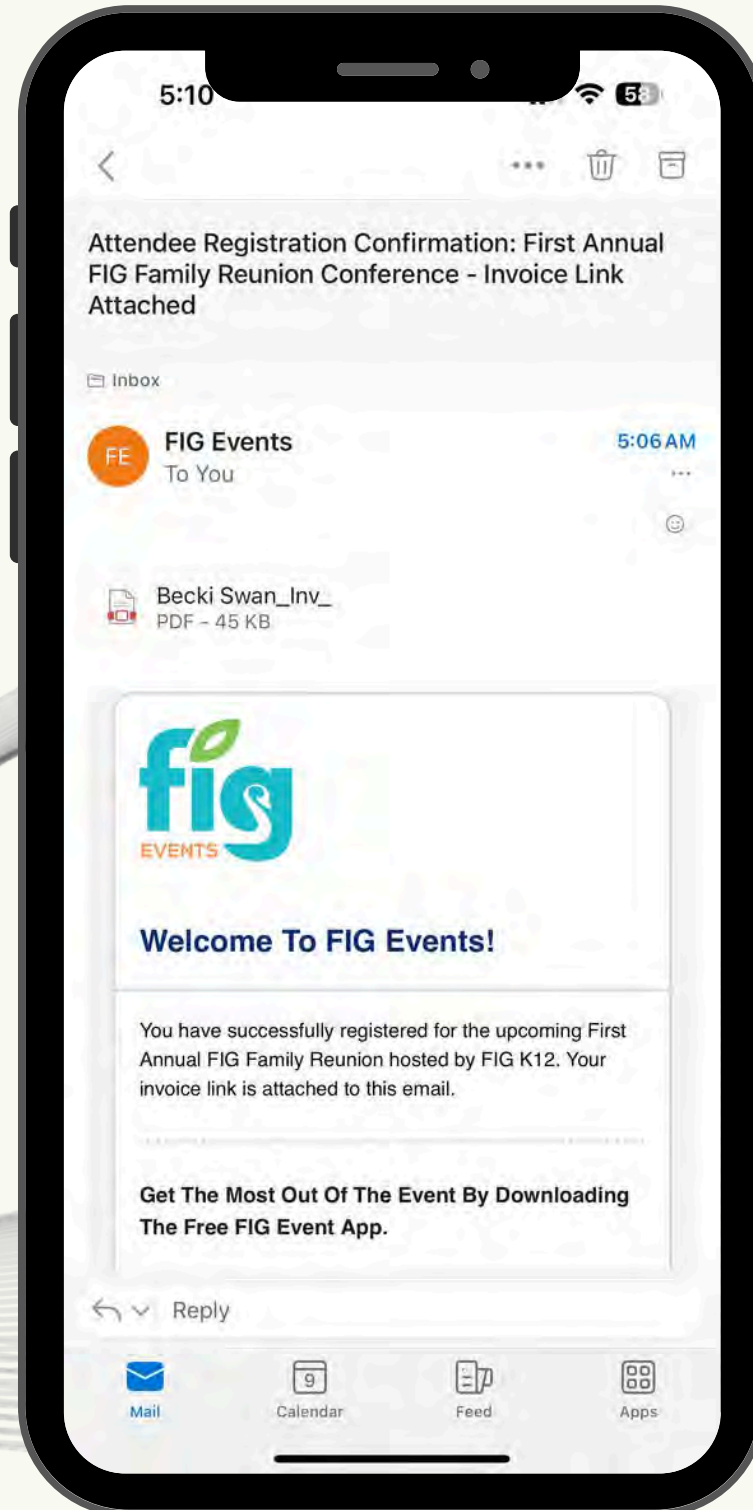

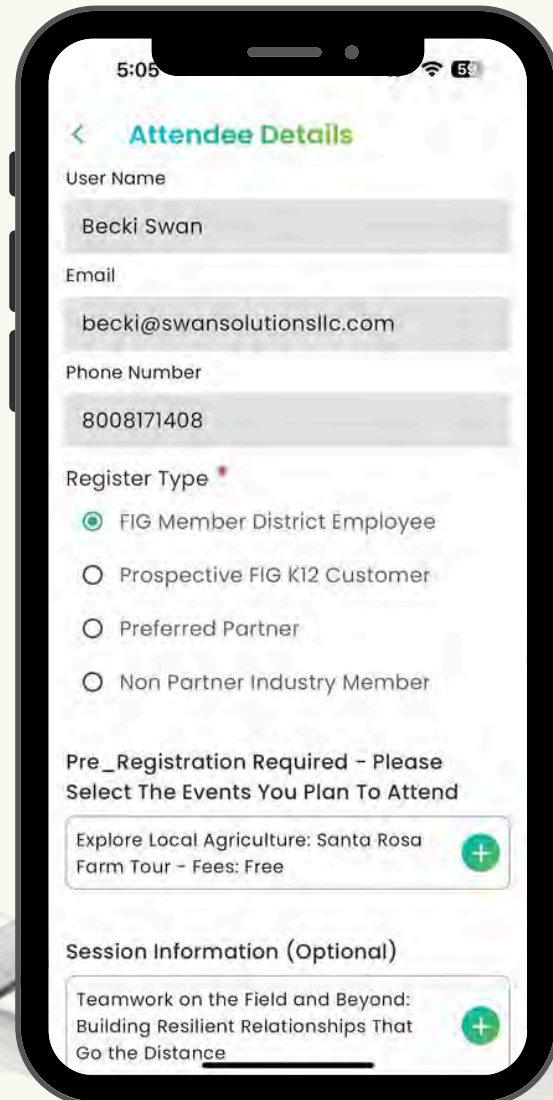

# View Current Events

Viewing current events on FIG Events keeps you connected to the latest trends, important updates, and upcoming opportunities in the school nutrition industry. Stay ahead by accessing real-time information on conferences, training sessions, and special events, all in one convenient platform tailored to your professional needs.

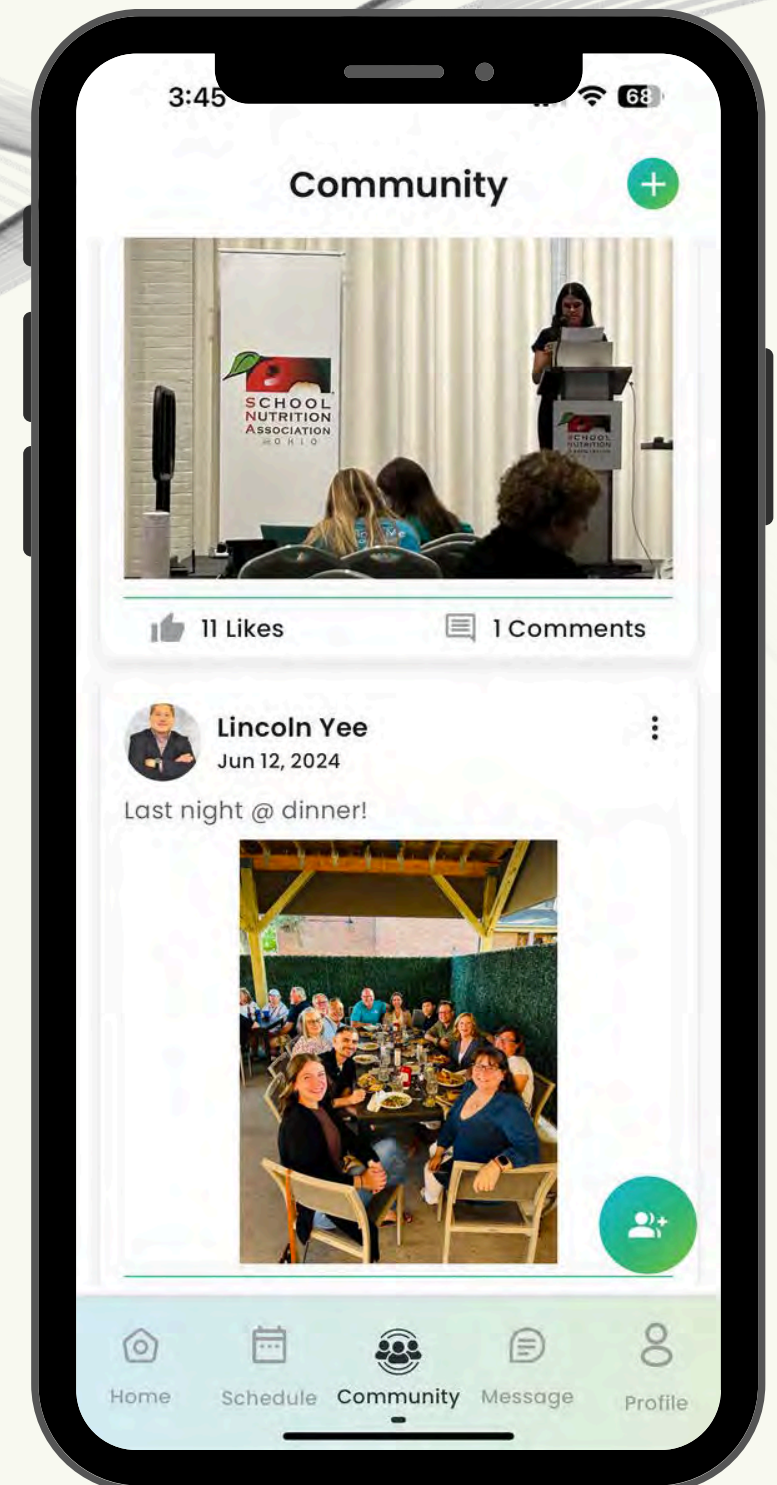

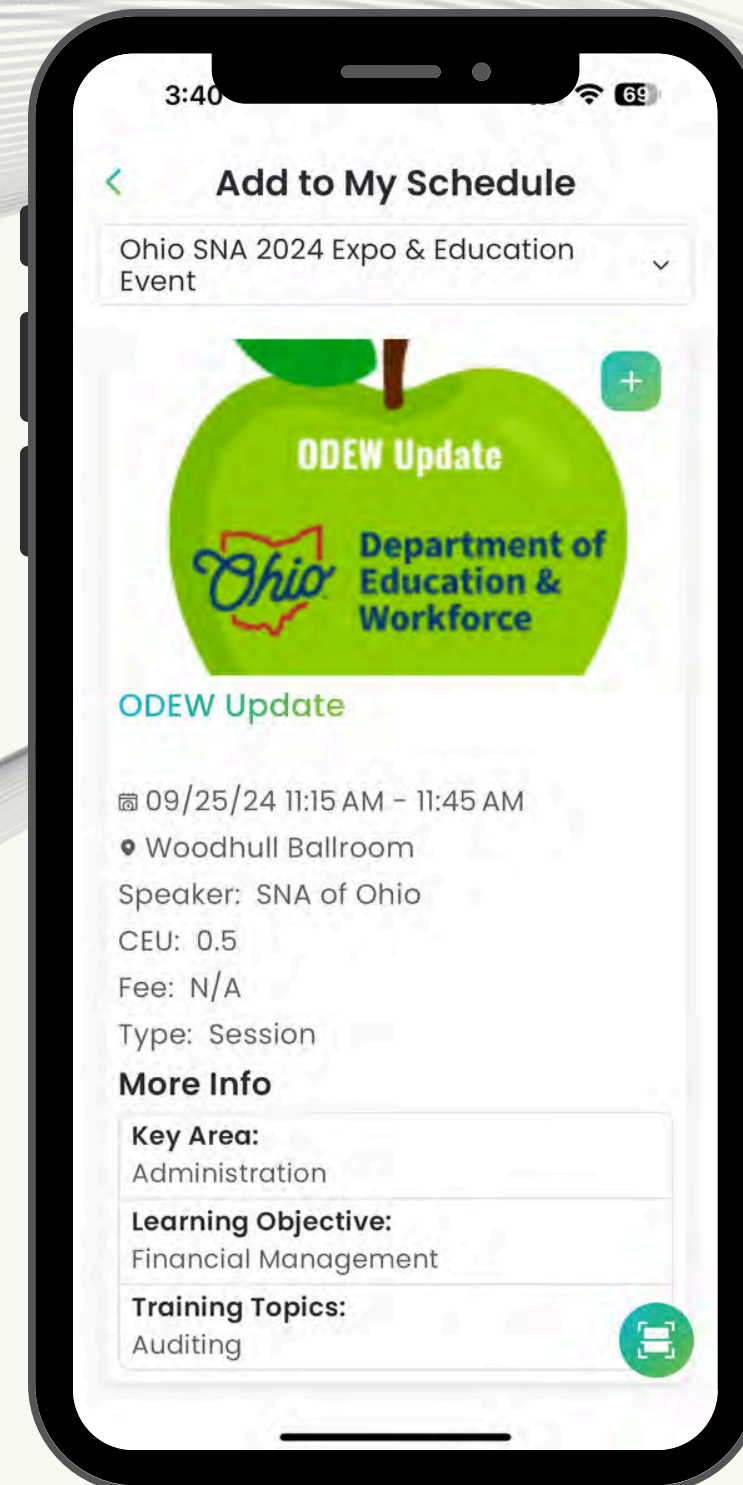

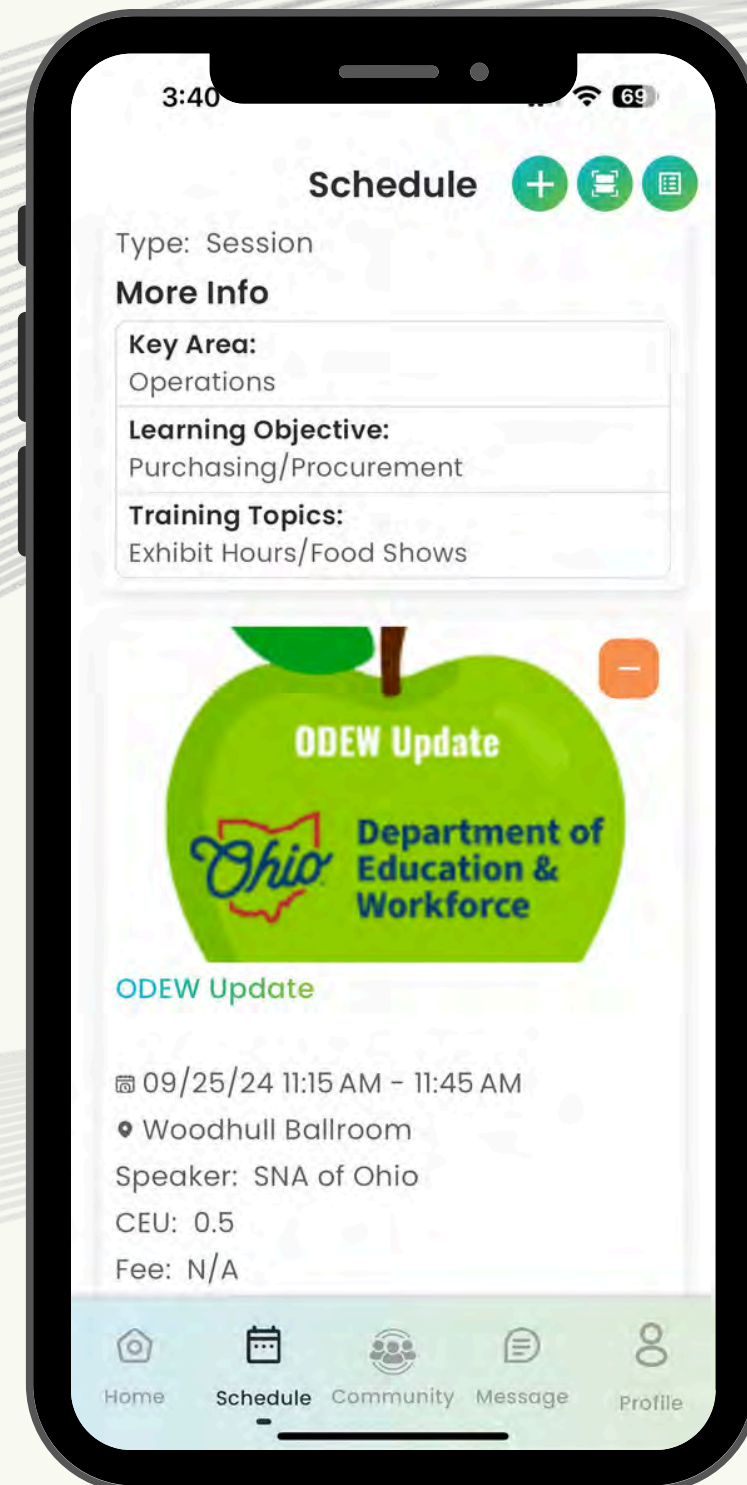

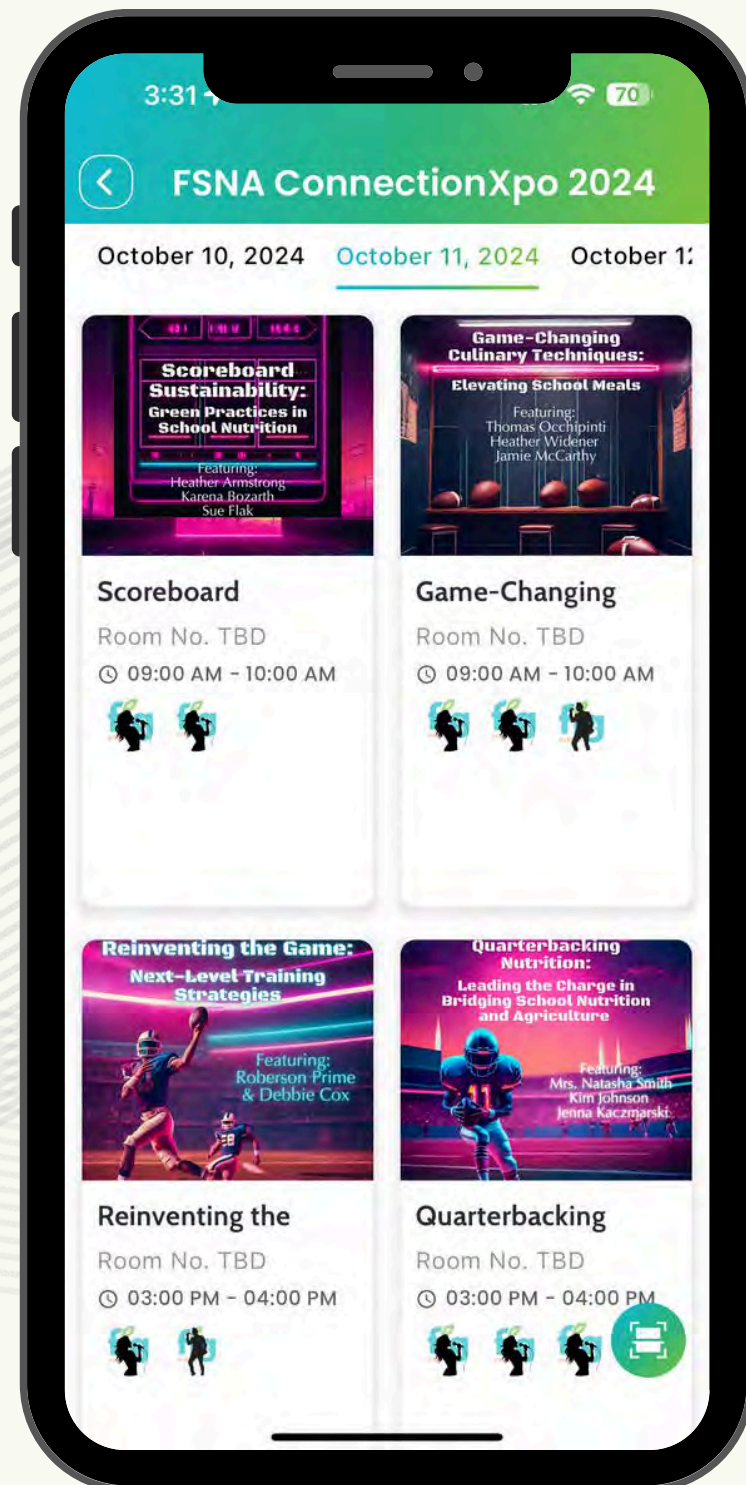

# Register to Attend

Registering to attend events through FIG Events is quick and easy, giving you access to a wide range of professional development opportunities, exclusive sessions, and networking experiences. Don't miss out on the chance to learn from industry experts, connect with peers, and grow your skills!

# Create Your Custom Schedule

Creating a custom schedule in FIG Events allows you to tailor your experience by selecting the sessions, workshops, and networking opportunities that matter most to you. Manage your time effectively, never miss a session, and maximize your learning and engagement—all designed around your personal and professional goals.

# Easily Track CEUs

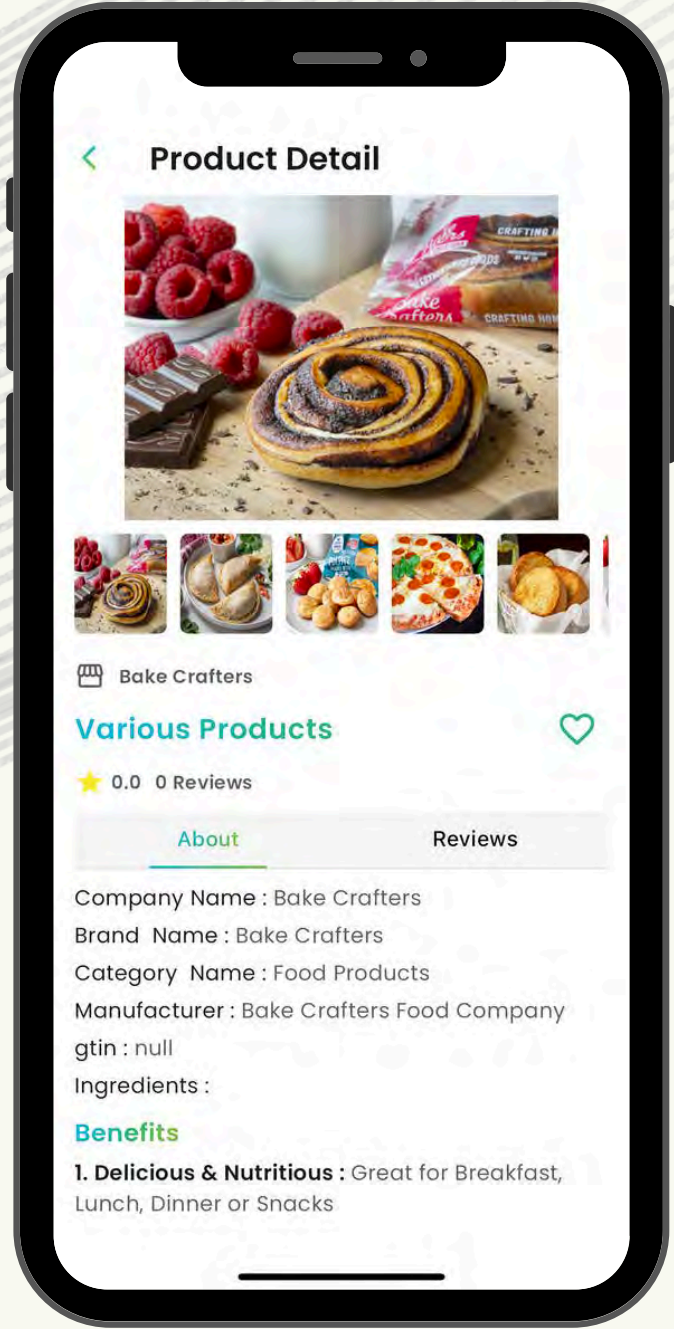

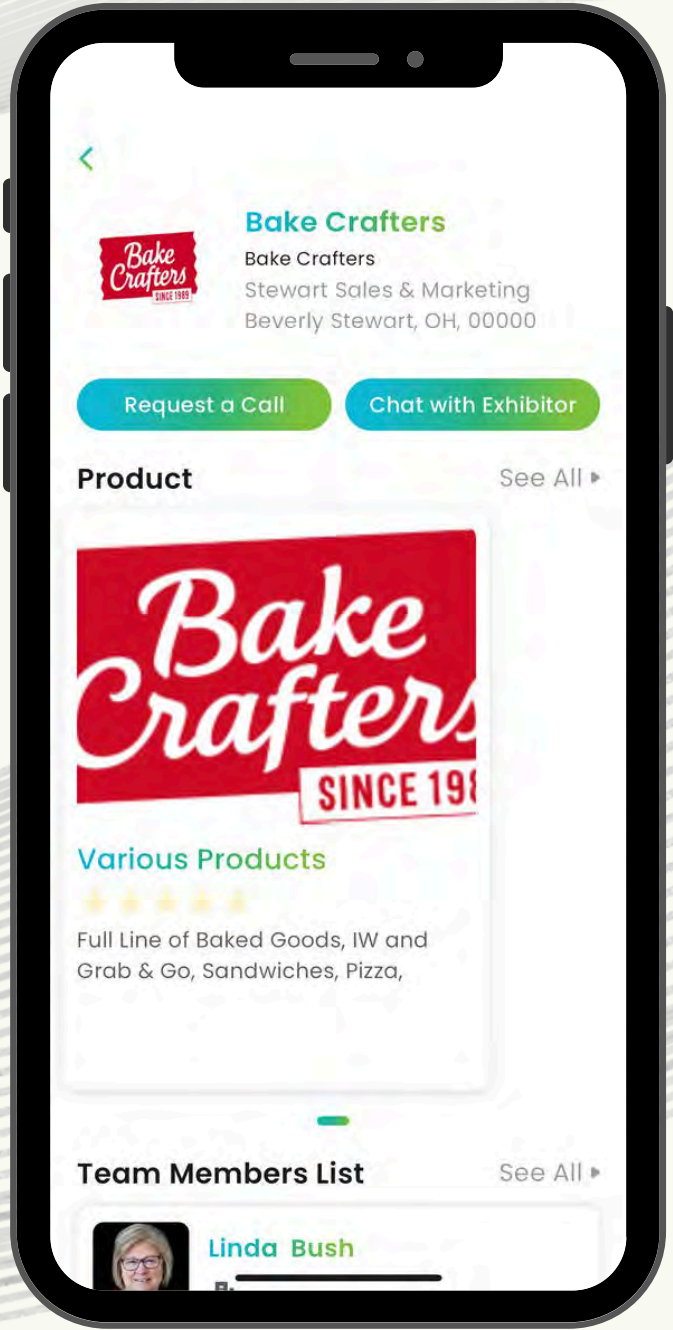

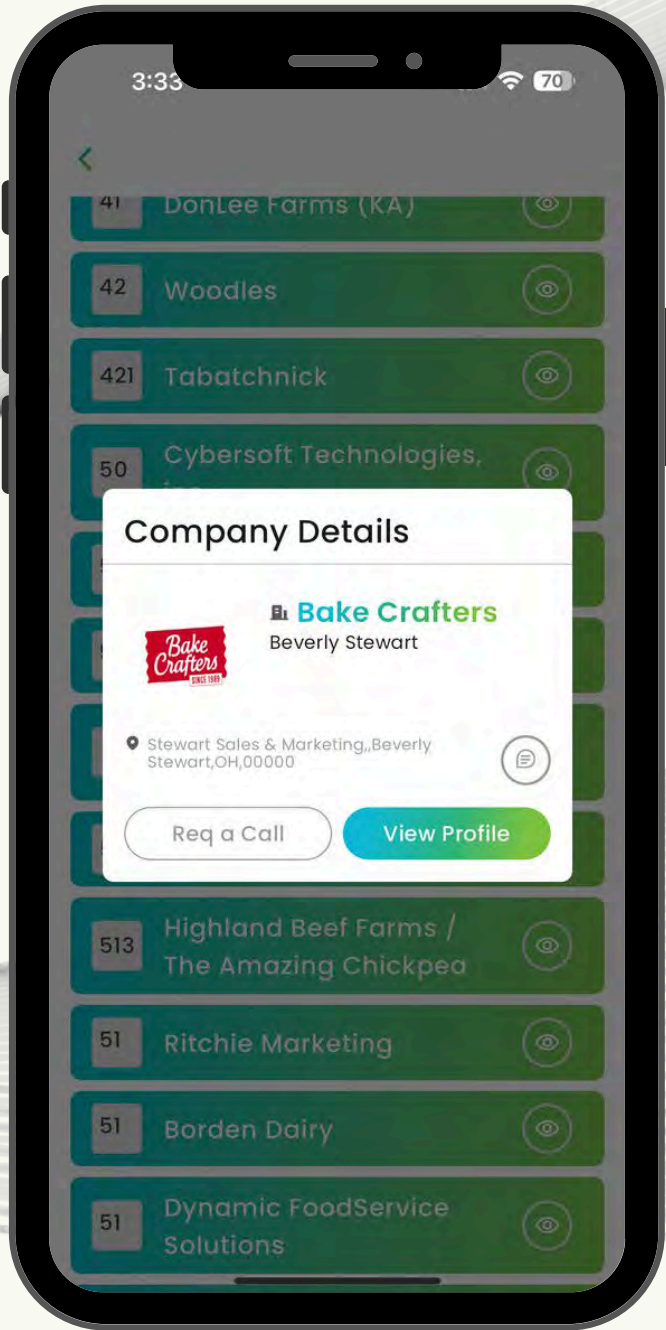

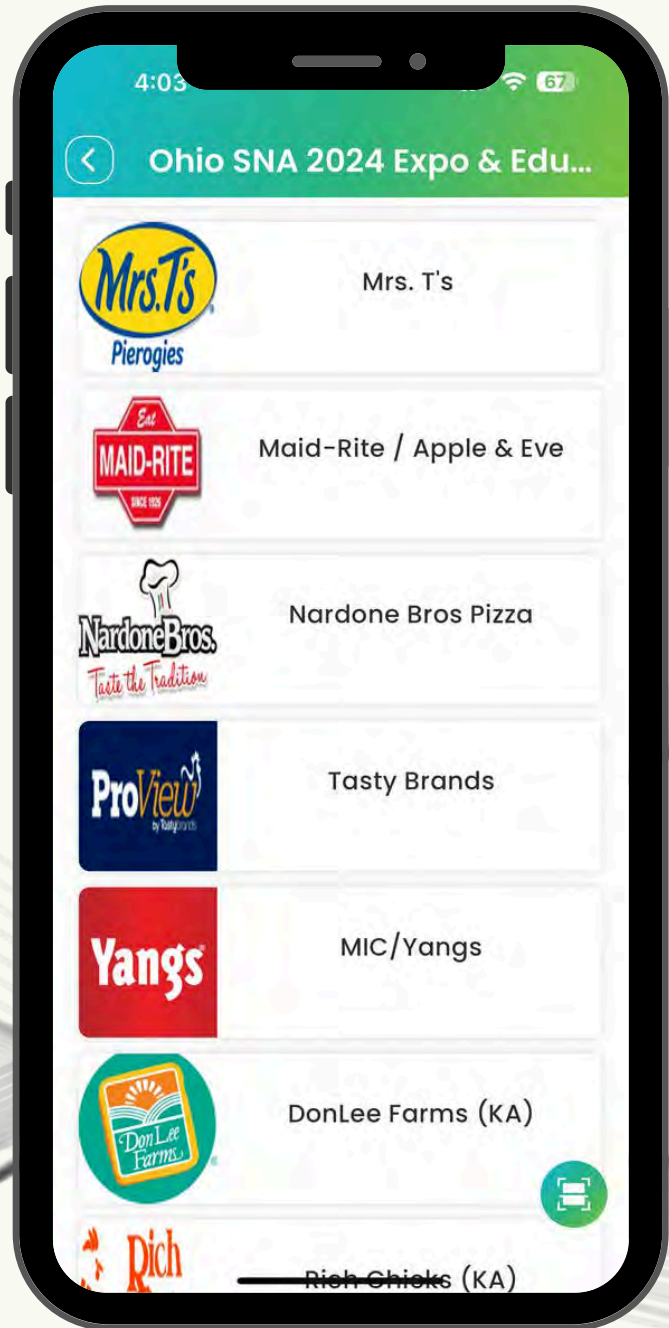

Scan into sessions using FIG Events to automatically track your attendance and generate custom CEU certificates. This seamless process ensures you receive credit for every session attended, helping you easily meet your professional development requirements while keeping an organized record of your accomplishments.

# Make the Most of Your Time on the Show Floor

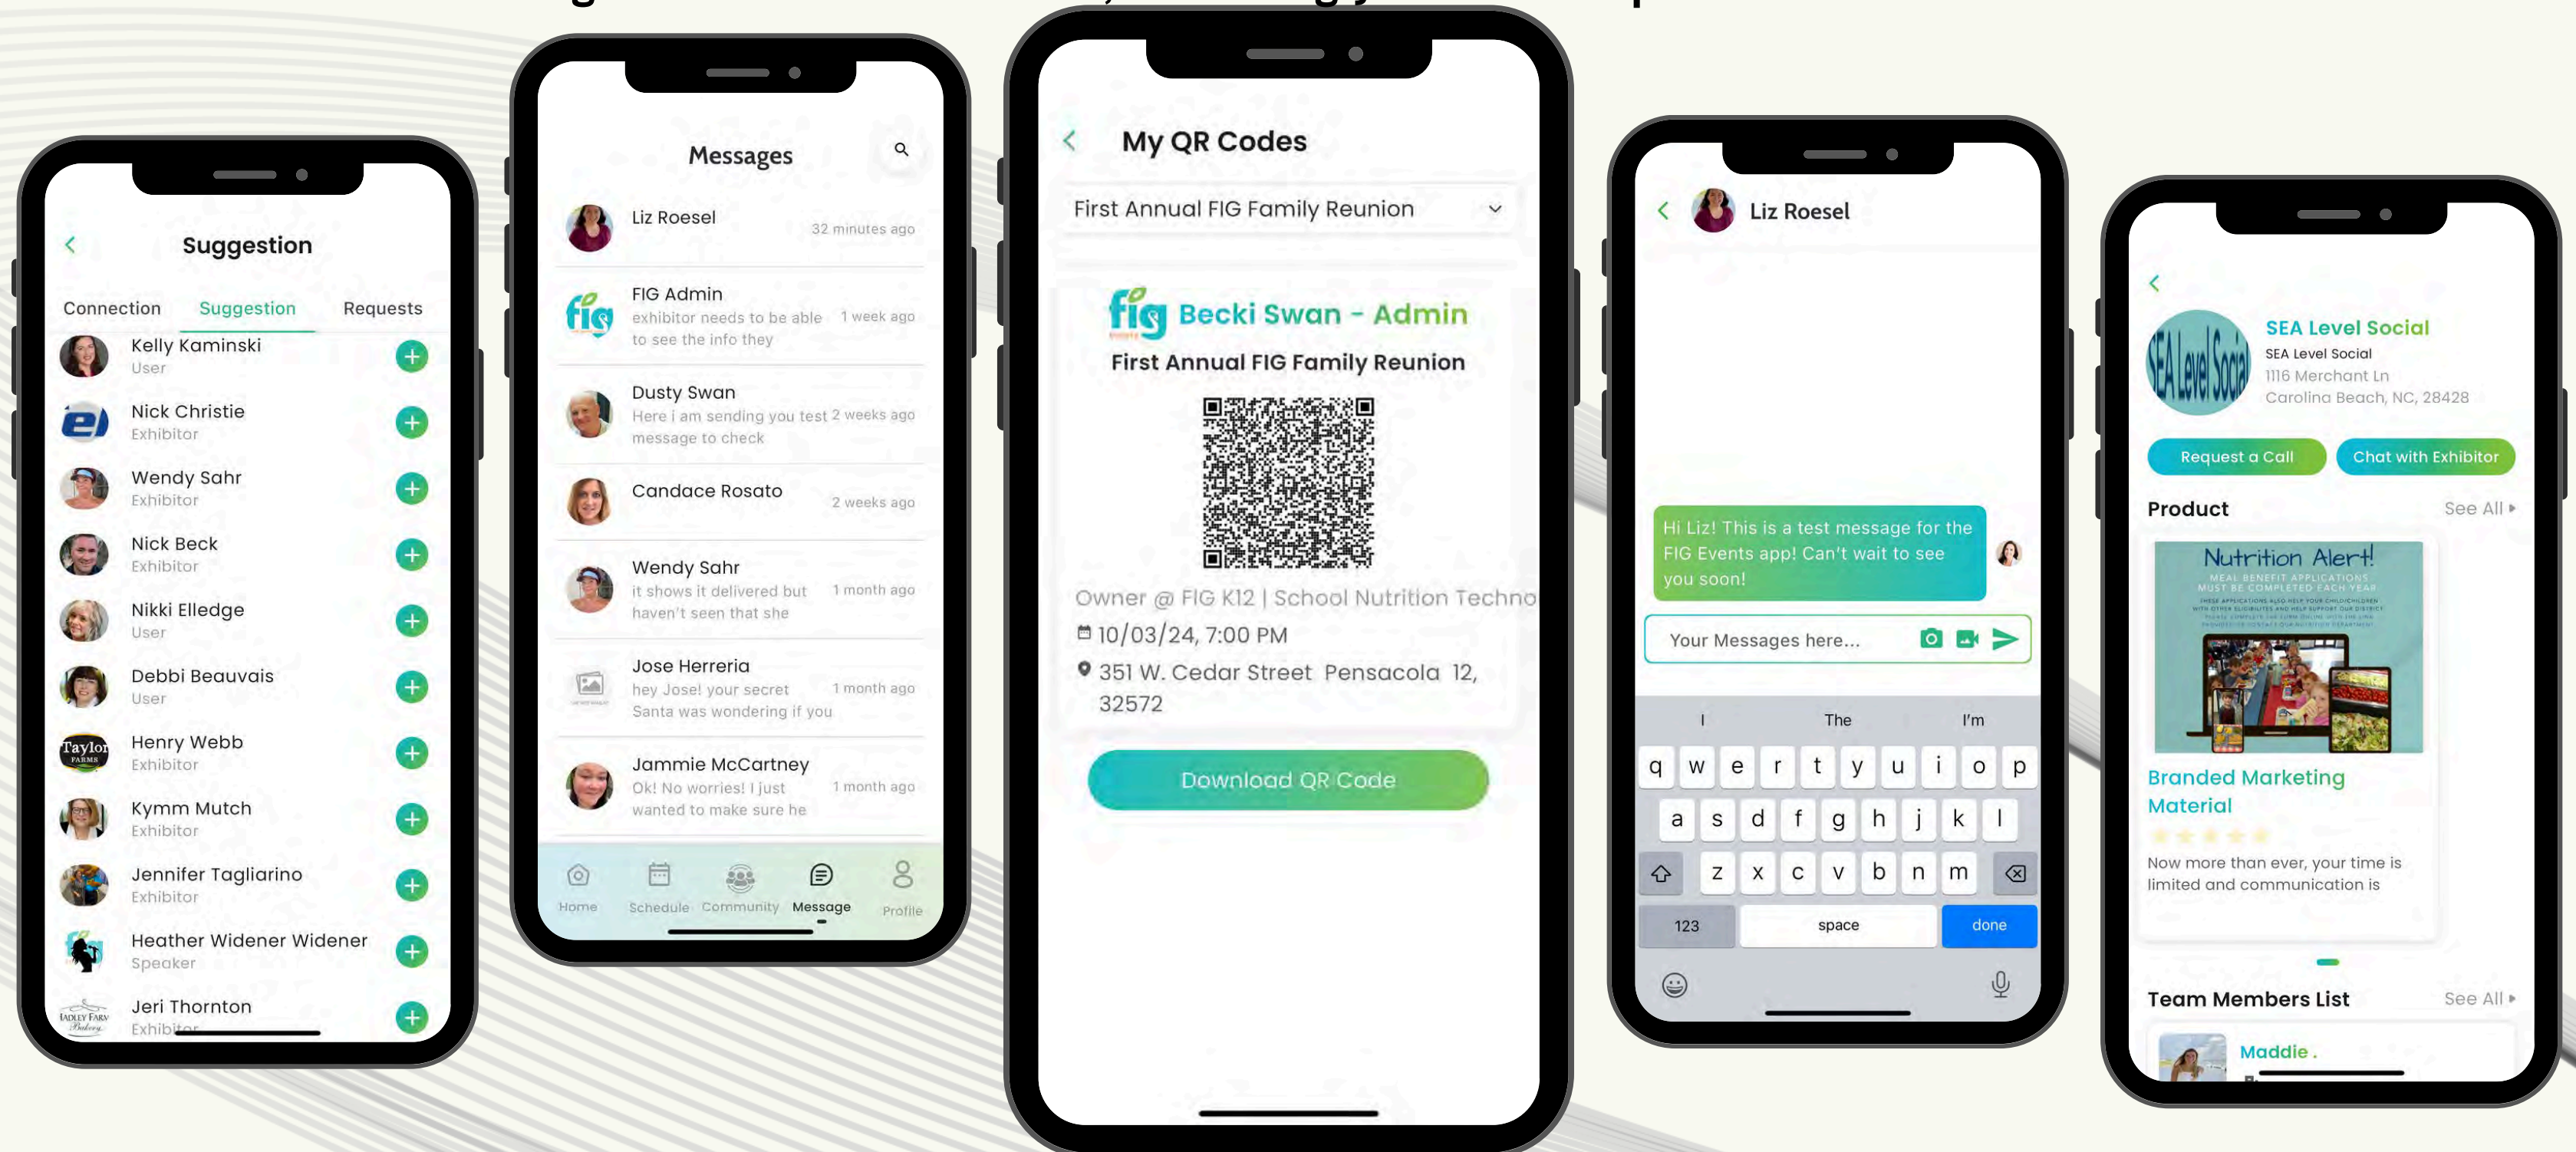

Explore the Exhibit Hall in FIG Events to discover the latest products, services, and innovations tailored for the school nutrition industry. Engage with exhibitors, connect with trusted partners, and find solutions that can enhance your program

All from the convenience of your phone!

# Easily Connect For Scheduled Follow Up

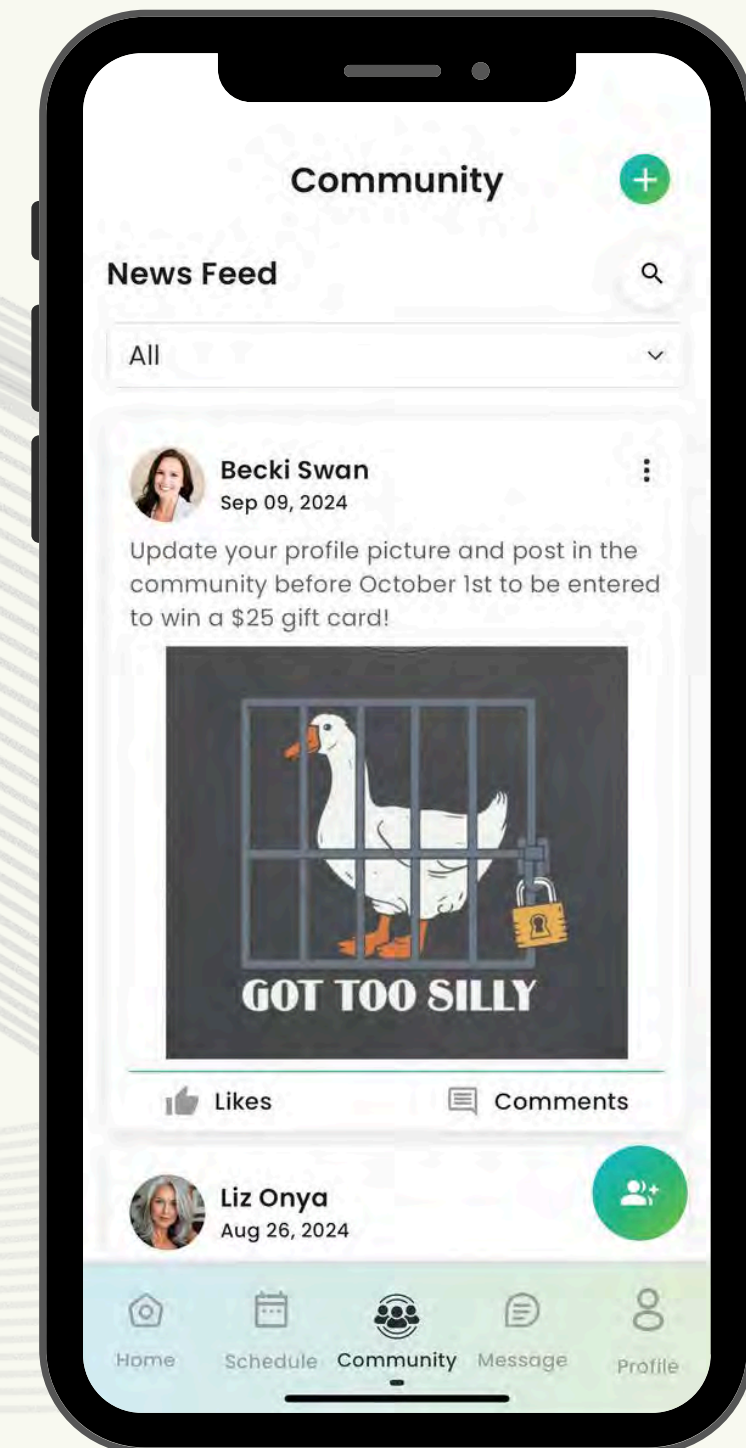

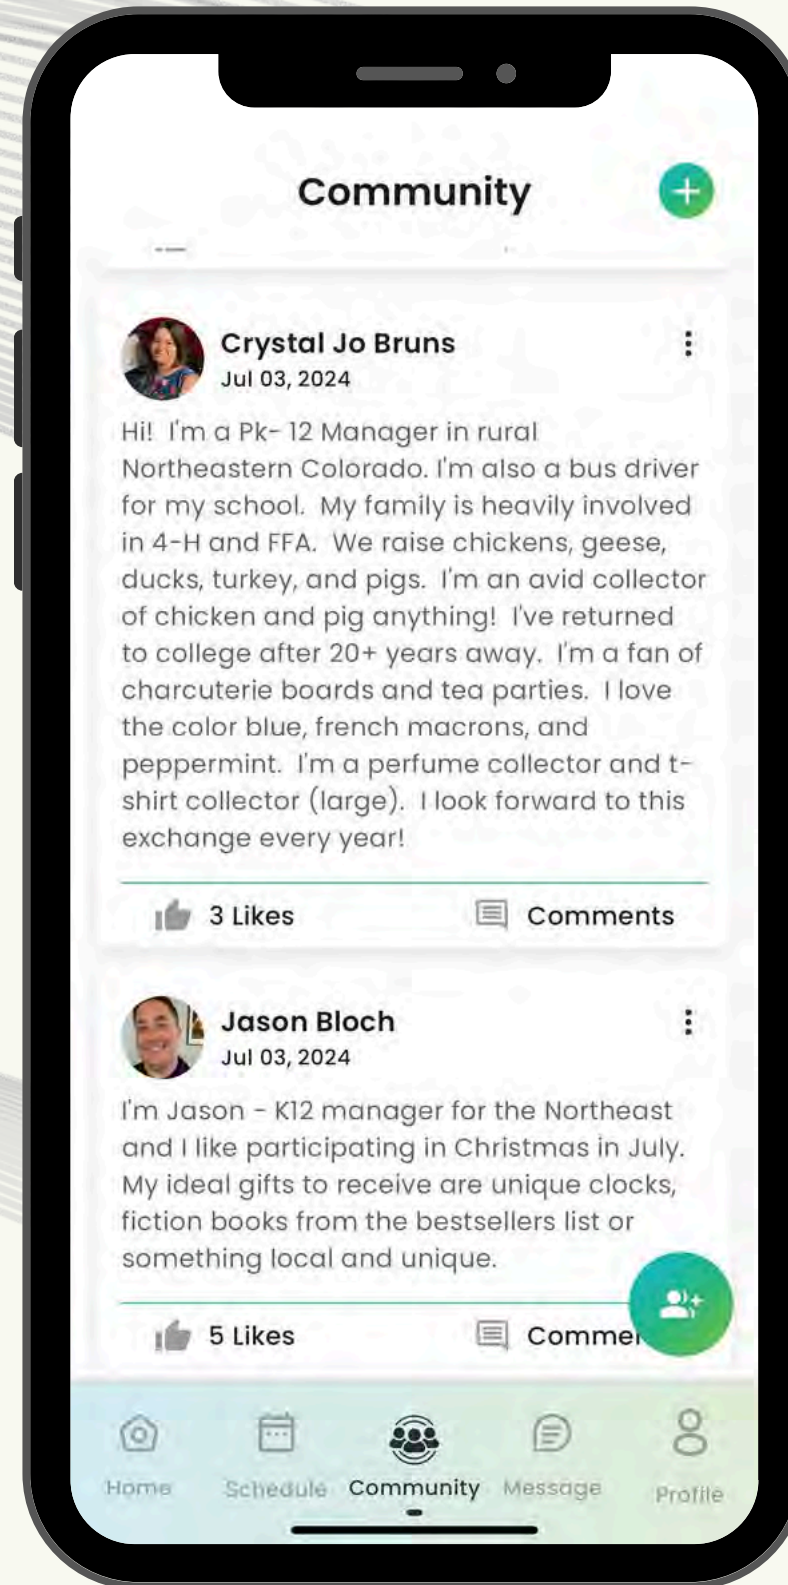

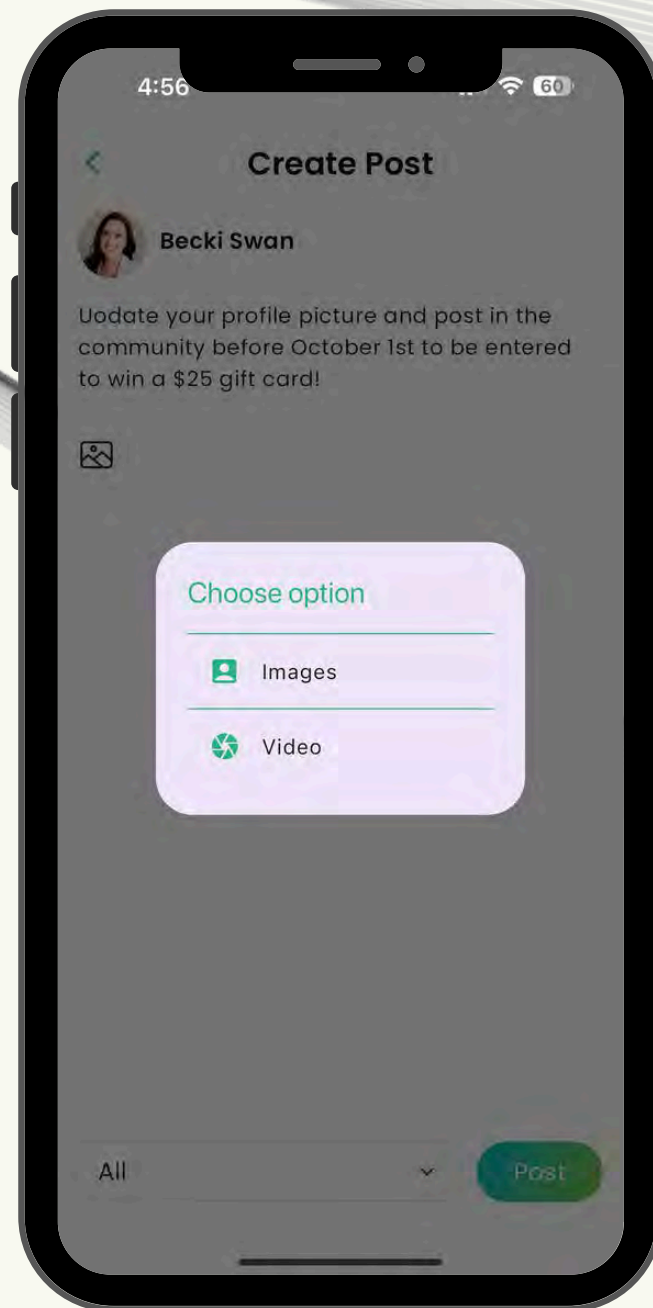

Scanning badges in FIG Events allows for instant connections between attendees, exhibitors, and partners. Whether you're looking to network with fellow professionals or share your contact details, this quick and easy feature ensures you make meaningful connections that last, enhancing your event experience from both sides.

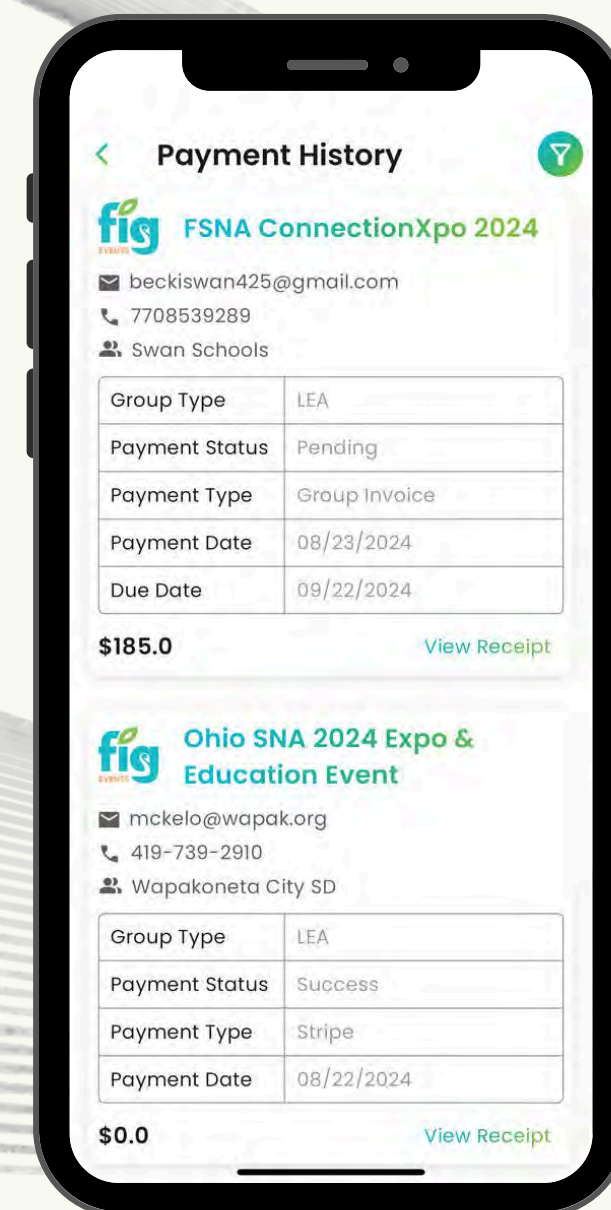

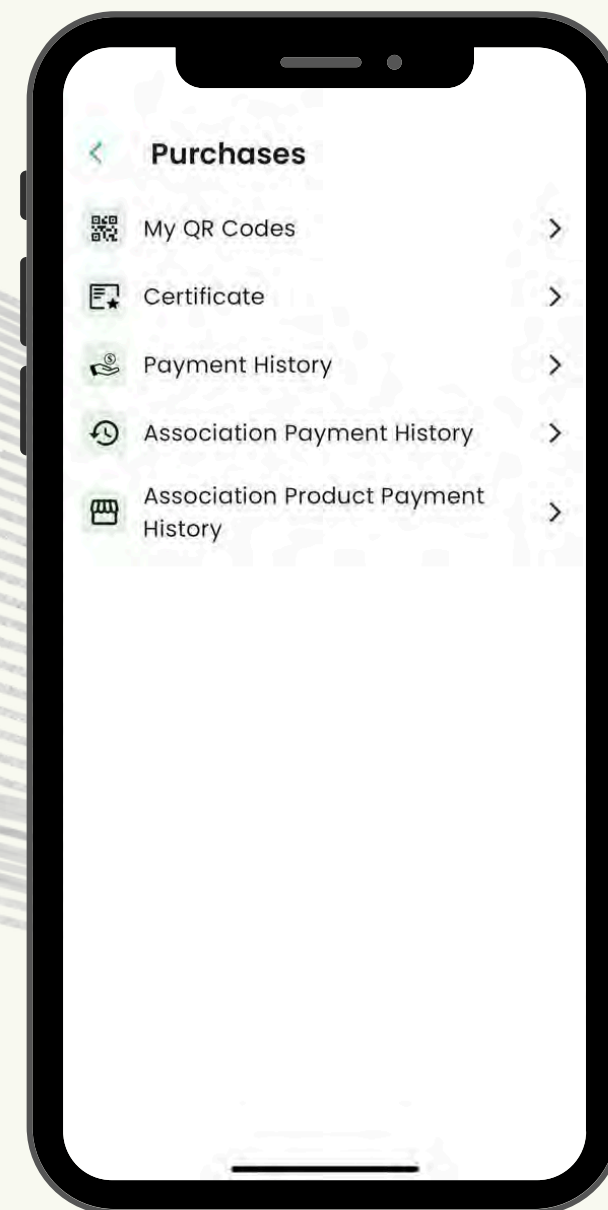

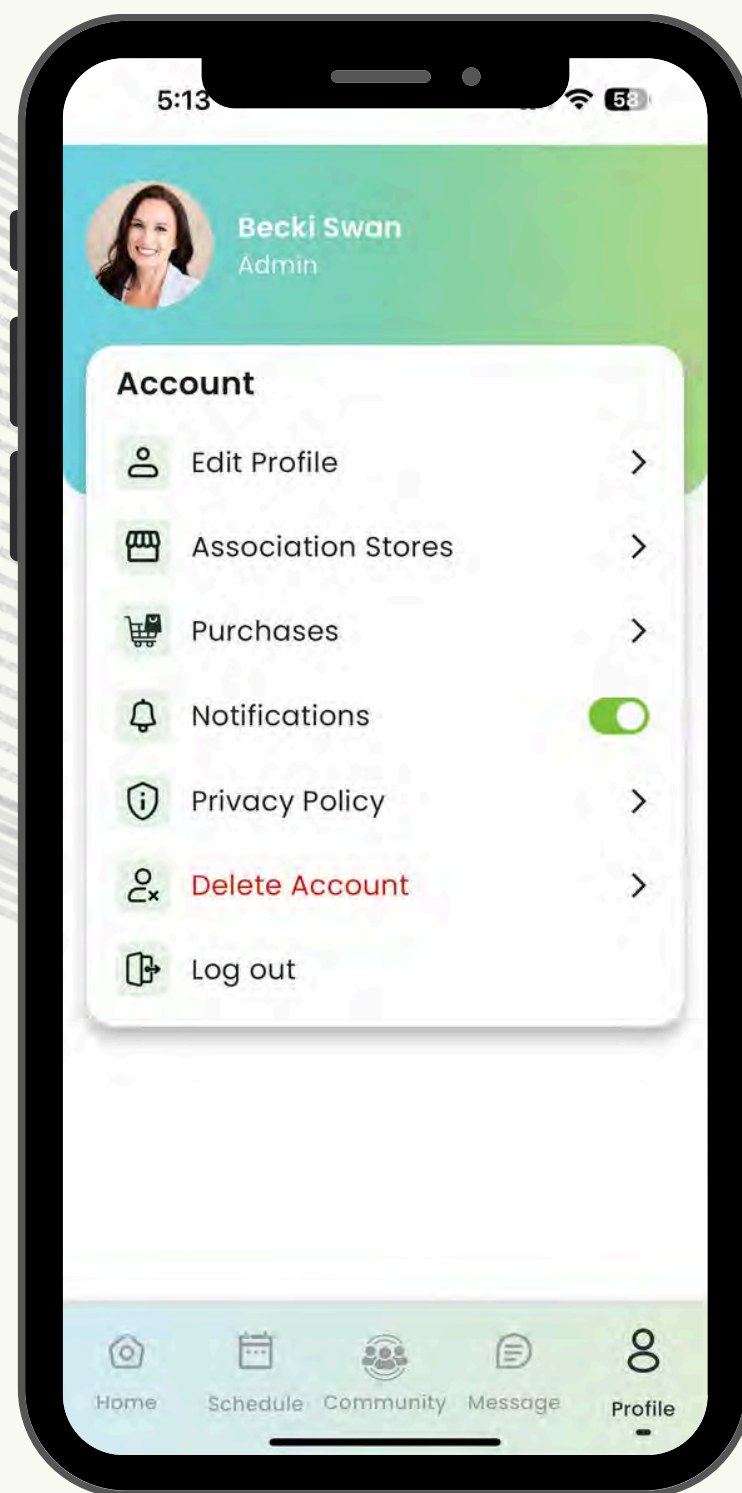

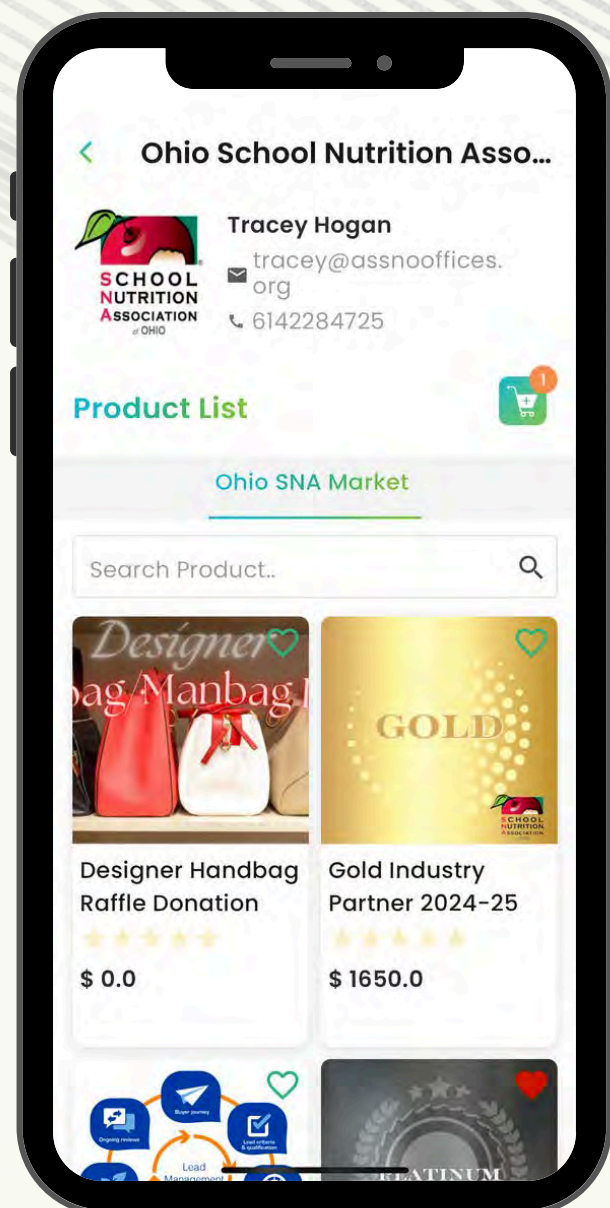

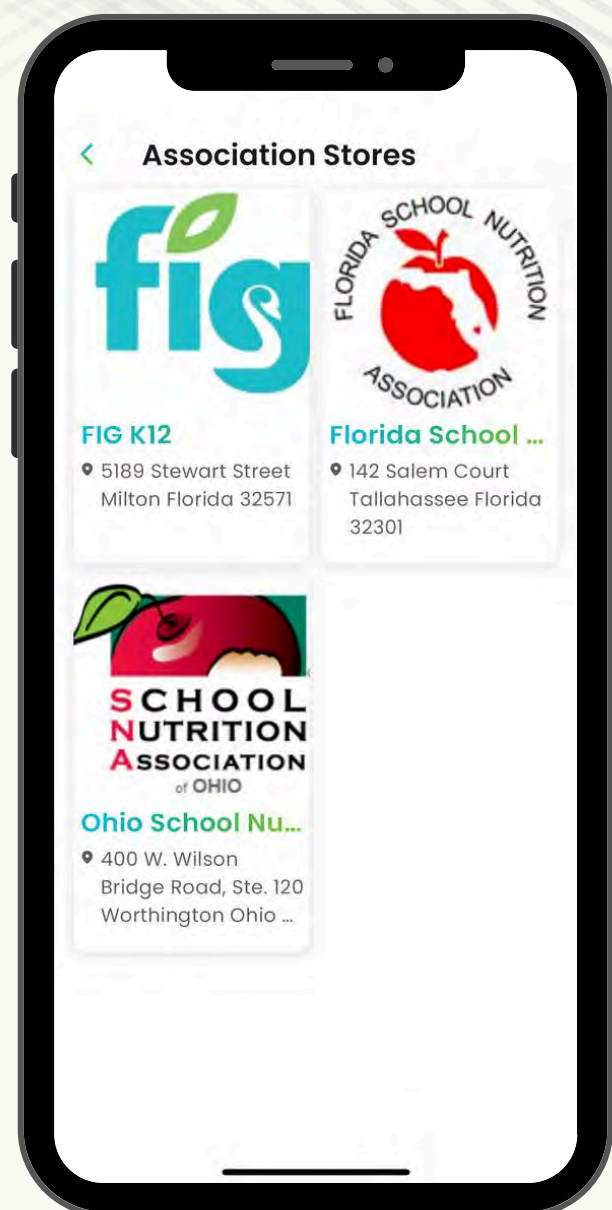

# Community

Get involved and make your voice heard by posting in the FIG Events community! Share your insights, ask questions, and connect with other school nutrition professionals. By engaging in the community, you'll gain valuable advice, expand your network, and contribute to the collective knowledge that helps us all grow stronger together.

# Manage Memberships

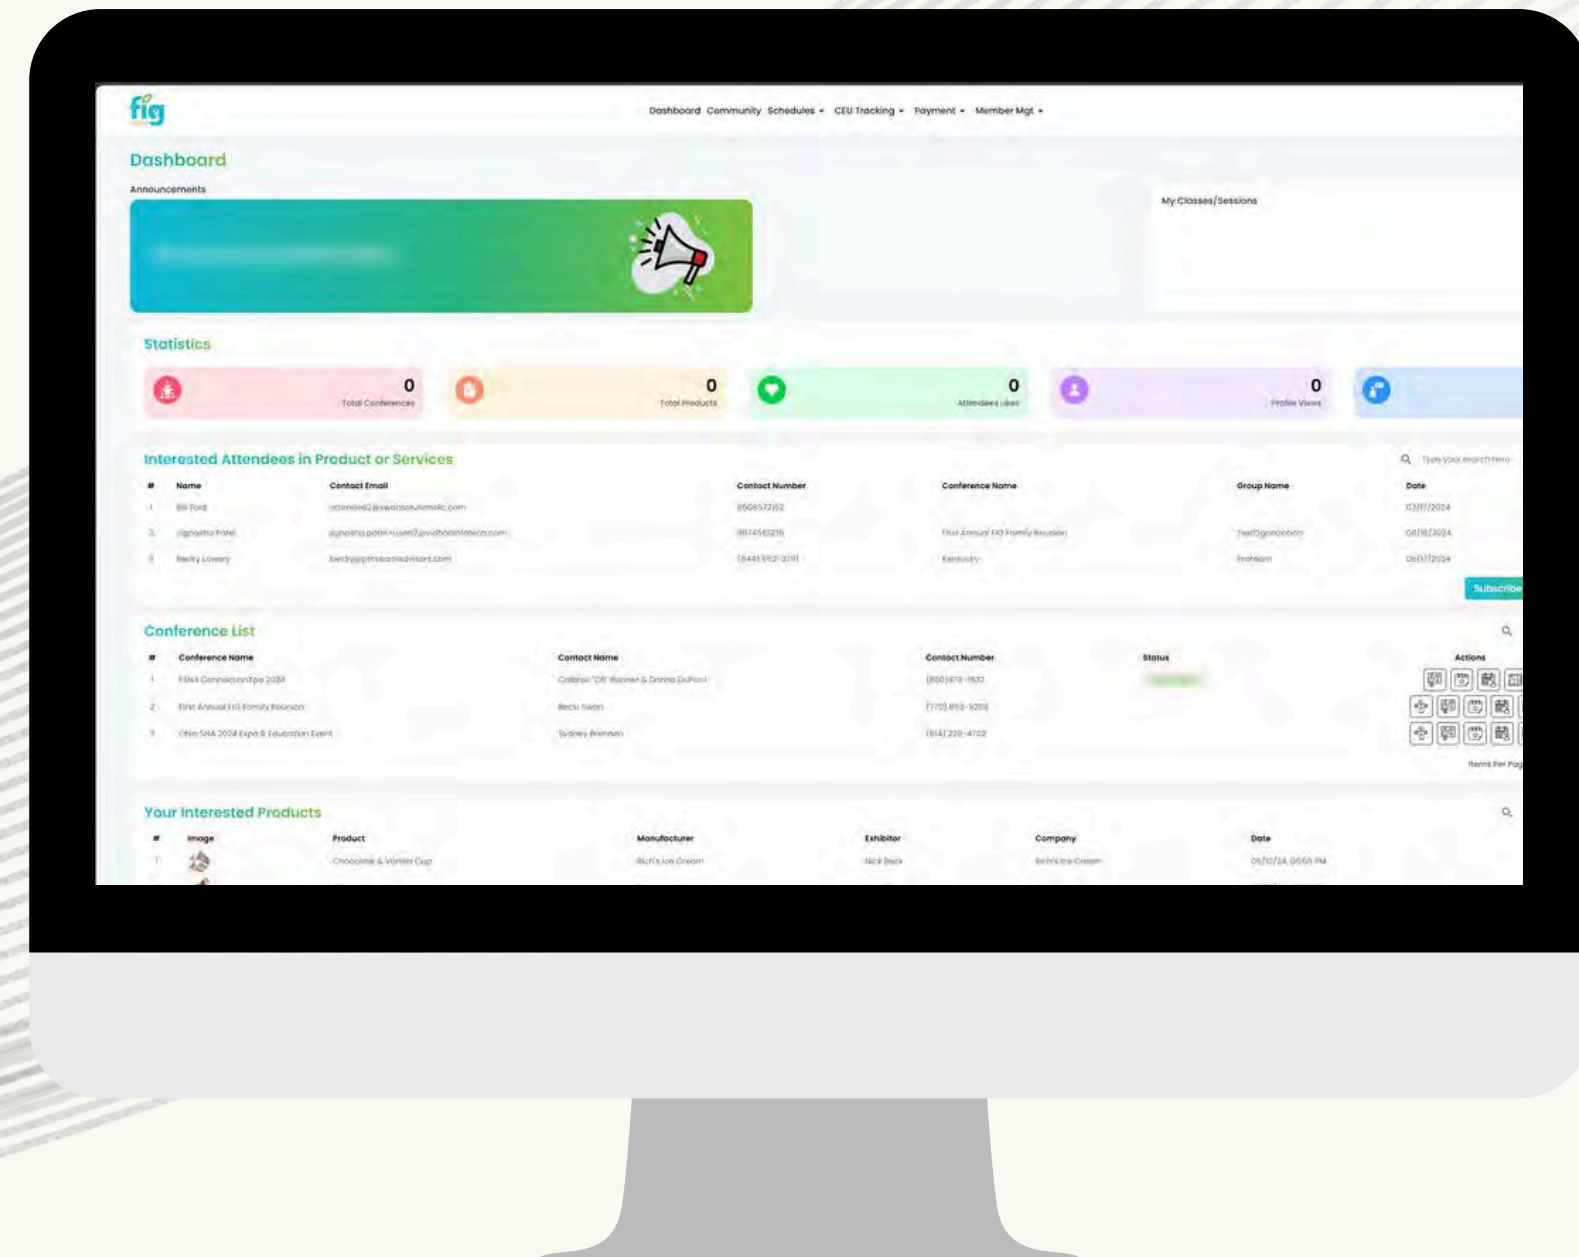

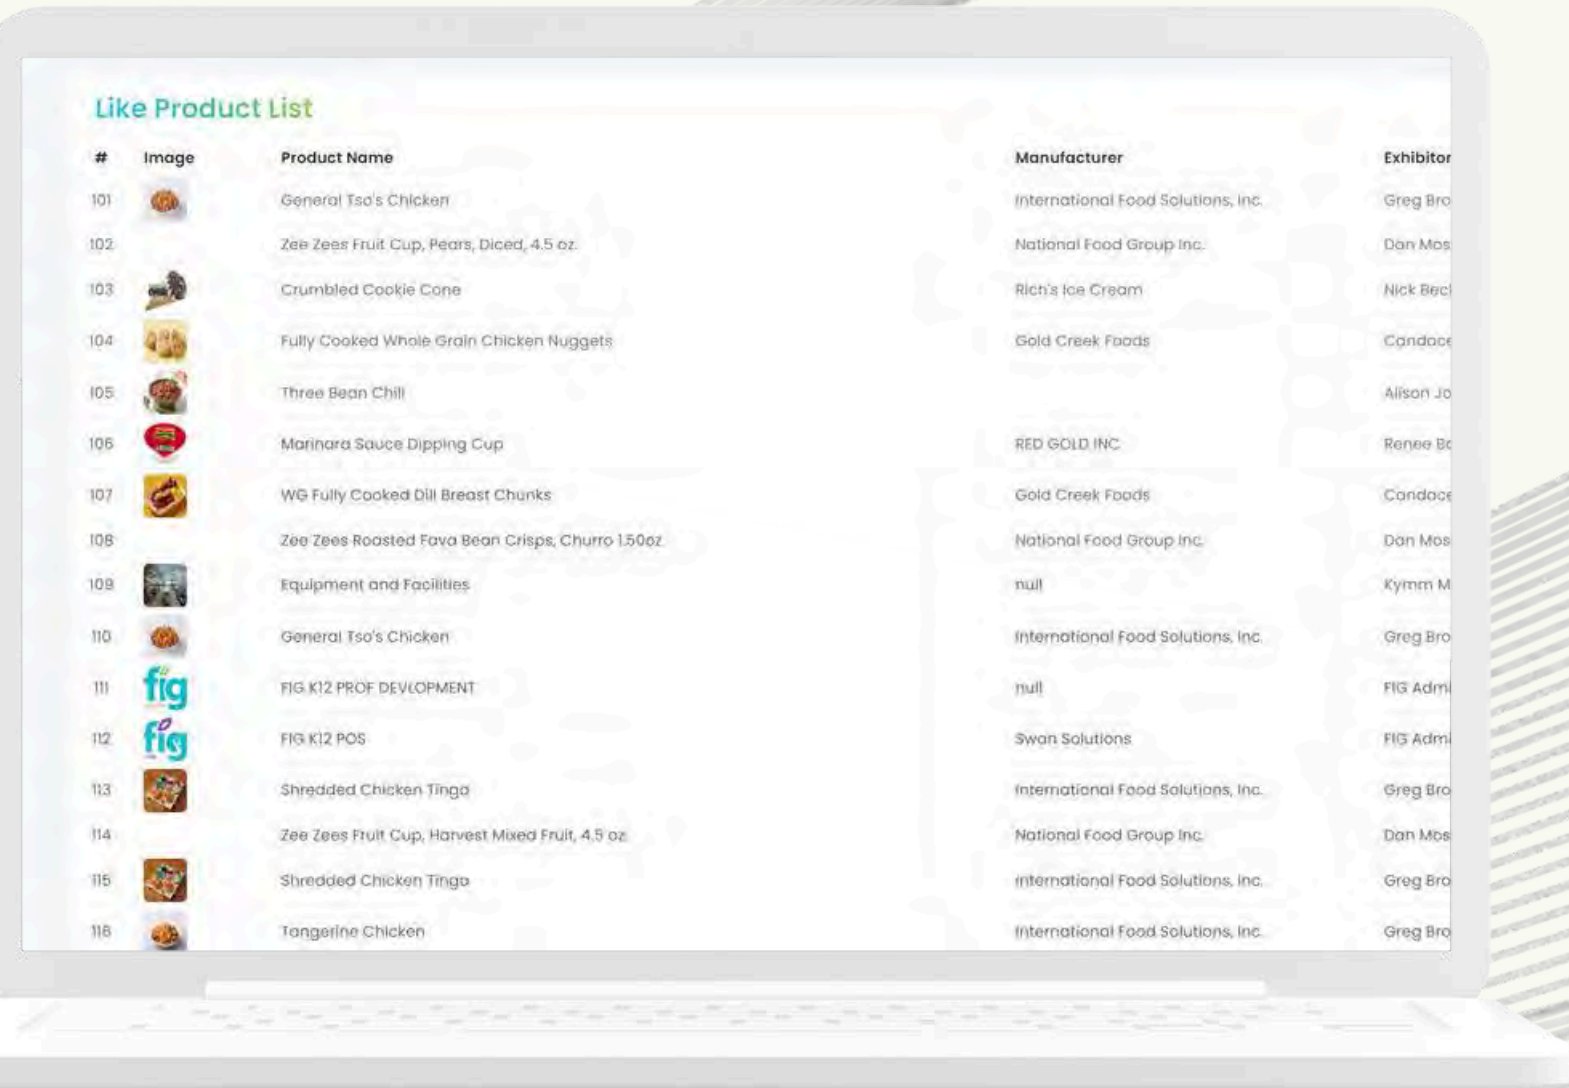

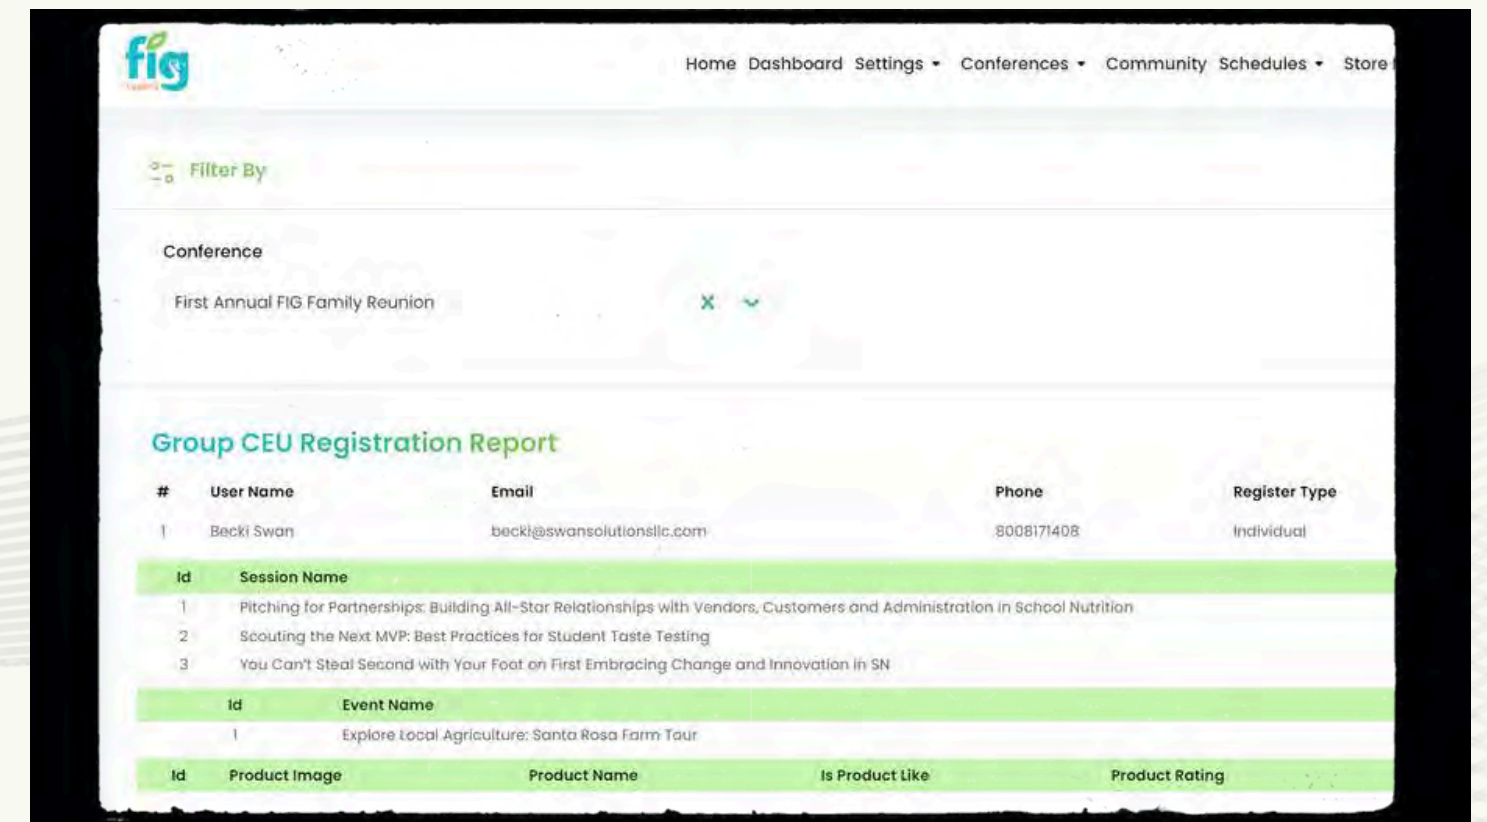

Renew your association memberships and keep track of all your purchases directly through FIG Events. Stay on top of your professional commitments, manage renewals seamlessly, and maintain an organized record of your event registrations, CEUs, and other transactions—all in one convenient location.

Tie it all together with FIG Events by accessing detailed reports from your computer.

Track your event participation, CEUs, membership renewals, and purchases in one comprehensive dashboard.

Gain insights into your professional journey, make informed decisions, and ensure you're maximizing the value of every opportunity with easy-to-view, detailed reports.
