

Cultivating a Legacy of Chapter Leadership

Chapter Leadership Meeting

June 23, 2026

1:30 pm – 3:30 pm

By: Imer Smith, President Elect

Great leaders don't just appear — they are cultivated.

As we gather under our conference theme, **“Cultivate a Legacy of Leadership,”** we invite you to join us for a powerful and purposeful Chapter Leadership Meeting focused on growing strong roots within your county.

Chapters are the foundation of our association. They are where relationships are built, ideas are planted, and future leaders begin to grow. When we invest in chapter leadership, we are not just planning for today — we are planting seeds for tomorrow.

During this engaging session, you will:

- Discover what a chapter means for your county
- Learn how chapters strengthen member engagement and professional growth
- Explore leadership roles and opportunities
- Share ideas for building vibrant, active chapters
- Gain practical tools to cultivate leadership at the local level

Whether your county already has an established chapter or you're interested in starting or revitalizing one, this meeting will equip you with the knowledge and inspiration to help your community thrive.

Leadership is a legacy. The seeds we plant today will shape the future of our association for years to come.
