

SNA of SC Exhibiting At the South Carolina School Business Officials Conference

November 2022

SNA of SC exhibited a booth at the South Carolina School Business Officials conference recently held in Myrtle Beach. Wanda Knight, Susan Bryant and Nancy Knight provided membership information to school business officials along with benefits of having a membership in SNA of SC. They also handed out some SNASC goodies and fresh fruit to the attendees. Over 100 school business officials stopped by the booth during the exhibit hours. It is always an exiting time to share the wonderful work being done and the membership benefits offered by SNA of SC.

Thank you Wanda, Susan,
and Nancy for representing
SNA of SC.
