Feeding Bodies. Fueling Minds.™

September 15, 2021

Hello to All of our School Food Service Professionals:

What do you enjoy the most about the SNA of SC Conference?

I love all parts of the conference! I enjoy learning from our knowledgeable speakers and attending classes, networking with my peers, and finding new food items from our vendors. I am especially excited about our theme this year "Heroes on the Frontline of Hunger." This year's conference will take time to recognize you and your staff and the hard work you continue to do for the children of South Carolina. Donna Davis and her committee have been hard at work to plan an exciting conference for us. The conference will kick off with a welcome reception where you are the center of attention! Wear your school colors and enjoy an evening of music, food, and fun to recognize all your hard work. I wonder who will have the most school spirit?

The committee has listened to your feedback and designed educational sessions with you in mind. Come hear from our speakers on hot topics such as "Lessons Learned From COVID" and learn what to expect with the "Administrative Review Process" this school year. Hear from South Carolina's very own Joe Pettit and Jane Herlong our keynote speakers as you take time to refresh and recharge. Our vendors are excited to show you their new items. This is also your chance to talk with vendors to learn about shortages and alternatives from each company.

If you have not registered yet, there is still time! See the attached registration form for more details. As president of SNA of SC, I encourage you all to consider registering for the conference. Let's take the time to celebrate our hard work and learn from each other. If you have any questions, please feel free to contact myself or Donna Davis. We look forward to seeing you and celebrating our heroes.

Sincerely,

Donna

Donna Davis, Conference Chair

Cindy
