

MENU PLANNING SOFTWARE FREE FOR SOUTH CAROLINA SFA'S

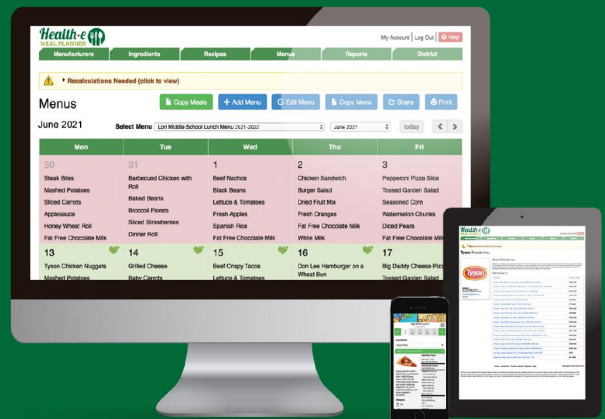

SAVE TIME. SAVE MONEY--IT'S FREE! STAY COMPLIANT.

Looking to streamline your menu planning and run a profitable program? Health-e Pro offers the most intuitive menu planning software on the market. What's even better: the state of South Carolina has purchased this software for you, so it's **FREE** for you to use. Want to learn more? Visit our booth or attend our sessions!

BUILT-IN MENUS

Get up and running quickly with built-in menus from your friends in neighboring districts.

CREATE YOUR OWN MENUS

Flexible software allows you to build your own menus and cycle them how you want.

LIVE WEEKLY TRAINING

Attend our weekly live trainings every Friday afternoon to get the most out of your program.
