

The School Nutrition Association (SNA) is the strong organization it is today because of members like you who recognize the value of SNA membership and the benefits it provides to your career, your school nutrition programs and the children you serve. You can help build the future of SNA by recruiting new members and retaining existing members. In recognition of your recruiting and retention efforts you will

become part of SNA’s exclusive Star Club!

### How Does SNA’s Star Club Work?

The Star Club is SNA’s way of recognizing and thanking members who recruit and retain SNA members. Each time a new member writes your name in the referral section of the membership application form you receive one credit, plus you get an additional credit every year they renew! Credits don’t expire, so once you have three credits you become a Star Club Member for as long as you are an active SNA National member!

### How Star Club Credits Grow

You accumulate credits when you recruit new members and get them to renew each year. For example if you recruit 3 members this year, get all 3 to renew next year and recruit 4 more new members, you will have 10 credits in two years and become a Bronze Star.

### Star Club Levels

Diamond Star—250; Platinum Star--150; Gold Star—100; Silver Star—50; Bronze Star—10; Star Club Member—3.
