

Chef Luigi's Escape Room

The special today at Chef Luigi's Italian cafe is "Authentic Italian Style Spaghetti with Meat Sauce". It is one of the café's most delicious recipes. This recipe is sure to get the café their five-star rating.

Oh, no! There's one ingredient missing. The most important ingredient in the spaghetti recipe. Your job as the operators in the cafe is to help Chef Luigi find the missing ingredient. Once the ingredient is found, the spaghetti dinner can be prepared and served.

Teams will compete in solving a series of puzzles to finally unlock the storage room that holds the "secret ingredient". Puzzles will involve your mind and teamwork.

If you think you are up to the challenge, be sure to sign up on the sign-in sheets at SNA of SC registration. There is a limit of 100 participants for the escape room. Will you be one of them?

Good Luck!!!
Chef Luigi needs YOU!
